

Protecting Beyond Influenza – What the evidence on influenza vaccines demonstrates

Sunday, 14 June 2026

6.30pm - 8.45pm (webinar from 7.00pm)

Pan Pacific Melbourne, Woodside Rooms 1&2

The programme will feature nationally recognised experts whose combined expertise spans influenza-associated cardiovascular disease burden and immunisation epidemiology, offering attendees both clinical and real-world perspectives on the evolving landscape of influenza prevention and its cardioprotective potential.
