

2026 GSK Immunisation Awards

**Nominate your organisation's initiative to receive a
2026 GSK Immunisation Award!**

The GSK Immunisation Awards have been developed to reward innovation that improves coverage and timely delivery of childhood, adolescent and adult immunisation. Four awards of **AUD \$20,000** each will be awarded to support initiatives that meet one or more of the following Award Criteria:

- Improve access, coverage and/or timely delivery as per the Australian National Immunisation Program schedule;
- Improve access, coverage and/or timely delivery for hard-to-reach populations (including geographically distant populations, new Australian immigrants, refugees, asylum seekers);
- Utilise digital technology and/or social media to improve the Quality Use of Vaccines through innovation;
- Improve access, coverage and/or timely delivery for indigenous populations;
- Improve access, coverage and/or timely delivery for international travellers.

Nominations close 23 February 2026
